What Information We Collect

Our primary goals in collecting personally identifiable information are to provide you with the product and services made available through our web site, including, but not limited, our services, to communicate with you, and to manage your account, if you have one.

When you visit our website, our servers may automatically record information that your browser sends whenever you visit a website as Log Data. This Log Data may include information such as your IP address, browser type or the domain from which you are visiting, the websites you visit, the search terms you use, and any advertisements on which you click. For most users accessing the Internet from an Internet service provider the IP address will be different every time you log on. We use Log Data to monitor the use of the Site and of our Service, and for the Site’s technical administration. We do not associate your IP address with any other personally identifiable information to identify you personally, except in case of violation of the Terms of Service.

Disclosure Practices

We care about your privacy. We only share your information when necessary. We engage certain trusted third parties to perform functions and provide services to us, including, without limitation, hosting and maintenance, customer relationship, database storage and management, and direct marketing campaigns. We will share your personally identifiable information with these third parties, but only to the extent necessary to perform these functions and provide such services, and only pursuant to binding contractual obligations requiring such third parties to maintain the privacy and security of your data.

Access and Corrections

You have the right to access and correct your information. If you need to access or correct your information, please email us at the email address provided above.

Keeping Your Information Secure

Your data's safety is our priority. We are committed to keeping secure the data you provide us and will take reasonable precautions to protect your personally identifiable information from loss, misuse, or alteration. We employ industry standards in securing this information.

Note on Records Classification

Personally identifiable information is not classification of records under Utah Code Section 63G, Chapter 2, Government Records Access and Management Act. Access to government records is governed by Utah Code Section 63G, Chapter 2, Government Records Access and Management Act.

Review of This Notice
